## COMPANY OVERVIEW

**Bokamoso Venture Capital** is a proudly South African, Black-owned and township-based investment and empowerment group. Our mission is simple yet transformative: to give ordinary people - especially in Black townships - the chance to own a piece of South Africa's economic growth.

We are more than just an investment company. We are a bridge between opportunity and community, building businesses that create jobs, improve essential services, and generate long-term wealth for our members and investors.

## Leadership

Founded and led by visionary entrepreneur **Karabo Dikgale**, Bokamoso is supported by a team of dedicated mentors, advisors, and operational managers who share a passion for economic empowerment and sustainable growth.

## GOVERNANCE & INTEGRITY

We operate transparently, guided by a constitution and sound financial principles. Member contributions are safeguarded and allocated to asset acquisition, operations, and growth projects. We maintain a zero tolerance for misuse of funds and a commitment to ethical business practices.

# COMPANY SCOPE OF WORK

## OUR VISION

- To become South Africa's leading community-driven venture capital group, empowering everyday people to become shareholders in high-growth sectors that directly impact their communities – starting with sanitation, waste management, and essential infrastructure services.

## OUR MISSION

- Provide accessible, profitable investment opportunities to individuals and institutions. Operate sustainable businesses that solve real problems in underserved communities. Build a multi-sector portfolio that creates generational wealth for our members. Champion women empowerment and Black ownership in high-impact industries.communities.

## Who We Serve

- Institutional Investors seeking impactful and commercially viable opportunities. Black Township Residents looking to invest and build their own business through shared ownership. Communities in need of better sanitation, waste management, and cleaning services.

## OUR SERVICES

### 1. Sanitation for Hire

We provide mobile sanitation solutions for events, construction sites, and community needs.

- Our current rental assets include:
- VIP Mobile Toilets (Luxury, High-End) – R5,000/day rental
- Flushing Plastic Mobile Toilets – R1000/day rental
- Non-flush Portable Toilets – R650/day rental
- 2-in-1 Luxury Mobile Toilets – R5,000/day rental
- 4-in-1 Luxury Mobile Toilets – R7,000/day rental

### 2. Waste Management & Septic Services

- Our waste management arm includes septic tank emptying and honey sucker truck services, providing an essential solution for both private and public sectors.

### 3. Cold Storage Solutions

- We rent out mobile cold rooms for events, catering companies, and commercial clients – R1,500/day rental.

### 4. Cleaning Services

- We offer professional cleaning for commercial, event, and residential clients, creating both job opportunities and healthier environments.

### Why We Stand Out

**Empowerment at the Core:** Over 100 members, majority Black women, with a focus on building ownership and skills in underserved areas. **Land Ownership,** We own land for business operations and future developments, ensuring long-term stability and expansion potential. **Scalable Model:** Our portfolio is designed for replication and growth across South Africa. **Compliance Ready** – We meet all criteria for government and institutional funding, making us an ideal empowerment partner.

# CLOSING STATEMENT

All our products are in complete accordance to the United Nations' resolution of using green energy wherever possible to suppress the ever pacing speed of global warming. We are ever looking for innovative ways to lessen the carbon footprint to help our nation advance further in green energy as we are convinced it's going to be the main source of energy in the phase we're entering, The fourth industrial revolution.
